## Discover Switzerland, learn and have fun!

### A Swiss summer is the best!

Our spectacular campus is in Lausanne, in French speaking Switzerland and overlooks lake Lemman and the Alps. Our team of supportive, dynamic staff will take good care of you and live alongside you in the boarding houses, which are separated by age and gender and where you'll share a room with one or two students from another nationality.

You'll make friends for life as you share incredible experiences together.

### We love learning languages!

Choose English or French classes & take them every morning. We have classes from beginner to advanced and thanks to our small class sizes (max 15), you will make rapid progress. Our teachers make language learning fun! Wednesday afternoon class trips enable you to explore famous Swiss landmarks.

### Afternoon programme - your choice

#### BM Move (4 x afternoons per week)

Try a different sport every day on our amazing campus or by the lake. Sports played during Summer Course include tennis, trampoline, basketball, soccer, rugby, banana boat, paddle and many more.

or

You can replace 2 afternoons of sports with another activity.

Follow 2 afternoons of BM Move + 2 afternoons of one of the following:

**BM Tennis Ace** - advanced tennis skills (not suitable for beginners)

**BM Create** - creative arts and design

**BM Code** - coding and robotics (only in July; students must bring a laptop with a keyboard)

### Evening and weekend fun

An extensive evening and weekend programme enables you to try new activities as you discover Switzerland and have fun (disco, talent show, cooking workshops, city visits, mountain hikes, high ropes, lake watersports, and much more!)
