

WINTER COURSE 2027

An incredible four or six week experience

ABOUT OUR SCHOOL

Founded in 1882 and still owned and run by the founding family, Brillantmont is an international, co-educational day and boarding school. We are fully accredited by CIS and NEASC.

Brillantmont is in the centre of Lausanne, a beautiful city in French speaking Switzerland, within easy reach of Geneva airport (45 minutes) and overlooking Lake Léman and the majestic Swiss Alps. The size of the school and the outstanding care and support creates a warm, family environment in which every student feels at home and thrives in and out of the classroom.

In January, we welcome a small group of students who come to join our Winter Course – an exciting 4 week mini high school programme, which gives a taste of boarding school life and the opportunity to learn French.

Winter Course students are housed in Brillantmont's boarding houses, which are organized by age and gender. A teacher lives alongside them to help and support them. Students share a room with someone of a different nationality. The rooms are spacious and bright with shared bathrooms (approx. 1 bathroom /3-4 students). Meals are taken together with the whole school and we encourage the Winter Course students to make friends with those of the regular school year.

For many classes, where possible, the Winter Course students study alongside those of the School Year. It's an opportunity to make friendships and connections for life. The Winter Course is a great opportunity to learn new skills in an international environment, to experience boarding school life and to enjoy Winter activities. Who knows - maybe you'll want to stay longer! Join the Brillantmont family today and make memories that last a lifetime.
